1. Government Policy On Free Tertiary Education

Government has come up with a policy providing free Higher Education in Public Tertiary Education Institutions (TEI's) for Mauritian citizens. The policy measure, which has taken effect as from January 2019, will apply for programmes up to undergraduate level in public Higher Education Institutions (HEIs)..

Free Higher Education applicable exclusively for studies leading to a:

- first Certificate;
- first Diploma; or
- first Undergraduate Degree

whether these studies are carried out on a part-time or full-time mode.

This exemption will apply for payment of ALL tuition fees. Only Administrative fees and Registration fees will be paid by the students.

1.1 Exceptions

- In the event of failure/resit all costs related to the repeat/resit will have to be borne by the students. Fee exemption will resume once the student enter the next level of study.
- The Scheme will not apply to in-service training where the costs are already met by Government and to commissioned/sponsored programmes by industry.
- The Scheme does not apply to students whose fees are already covered by another scheme such as scholarships, sponsorships etc.
- The Scheme does not apply to international students.

2. Fees are subject to change without prior notice
